

Hello Fairy Friend,

Thank you for your 1st tooth! I'm so excited to receive it. I love visiting new places, and your home is lovely.

When I collect your special teeth, I use them in my Fairy Castle. It's a beautiful castle with a beautiful view of the lake and tall towers!

I'm sending you a special gift from Fairyland, I hope you love it! I cannot wait to visit again!

Fairy dust,

The Tooth Fairy.
