

Hello Fairy Friend,

It is wonderful to visit your special home again,
I can see how much you have grown!

You must be eating lots of vegetables to build
such muscles!

Thank you for your tooth, it is a good strong
one and it will be very useful I use your teeth in
my fairy Castle—they're just the right size to fit
into the doorways!

Keep those teeth clean,

Fairy dust,

The Tooth Fairy,
