

*Fairy Greetings!*

*How wonderful that you have lost  
your very first tooth.*

*The first tooth is super important and  
makes the most special addition to  
my collection.*

*I am so happy to be able to leave you a special  
gift and show your beautiful sparkly  
tooth to all my Fairy Helpers back  
at my castle!*

*Thank you for taking extra special care of it,  
I will keep it safe inside my Fairy Castle  
where it will look super sparkly!*

*Sparkle Love,*

*The Tooth Fairy*
