

Hello My Fairy Friend,

*Thank You for leaving your very first tooth
in a safe place for me to find, I hope you like
your special gift.*

*It isn't always easy finding new children's teeth when
they fall out but you were super helpful by putting it
in a safe place for me.*

*How exciting to lose your first tooth, I am so happy
to add it to my collection, it is a beautiful tooth!*

Lots of fairy dust,

The Tooth Fairy
