

*Fairy Greetings,*

*The stars were twinkling above your home as I flew over to collect your tooth.*

*It is no problem for you to leave it somewhere safe, anywhere you like and I will be able to find your tooth, don't you worry.*

*My Fairy Sense is very good at finding teeth as sometimes children forget to leave it under their pillow.*

*It is wonderful to leave you a special gift again, I hope you enjoy it!*

*Love and Fairy Sprinkles,*

*The Tooth Fairy*
