TEN FRAMES

A colorful illustration of a prehistoric scene featuring several dinosaurs and palm trees. From left to right, there is a blue long-necked dinosaur, a green dinosaur with a long neck and a green stripe, a pink pterosaur, an orange dinosaur with purple spots, a purple dinosaur with a yellow shell, and a yellow Triceratops. The scene is set against a background of green palm trees. Below the illustration is a ten-frame grid consisting of two rows of five empty squares.

A duplicate of the illustration above, featuring the same dinosaurs and palm trees. Below the illustration is another ten-frame grid consisting of two rows of five empty squares.
