

Dear Archie,

I know that you have been very good this year. Mrs Claus and I are very proud of you and have some special presents for you and will deliver them on Christmas Eve!

The elves have been busy all year making lots of toys for you and your friends. We have selected some that you are going to love.

Mrs Claus, the Elves and I have been wrapping presents for a few weeks now - it's one of my favourite things to do - other than fly around the world in my sleigh on Christmas Eve.

I've checked my list twice to ensure your presents get loaded onto my sleigh, ready for the big night. It's not long now - I'm so excited! I hope you are too!

Don't forget - I can only deliver your presents if you are asleep, so remember to go to bed early. No trying to have a midnight feast and catch me in the act because it won't work - I'll just fly past.

The reindeers, Rudolph, Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner and Blitzen are looking forward to the adventure. They do get a bit hungry so would love it if you left them a carrot or similar.

I get a bit peckish too - so, if you have a spare mince pie or another treat that your adult thinks I would like please could you leave that for me? I'd be ever so grateful.

I do hope you have an amazing Christmas this year.

Lots of love, Santa, Mrs Claus and the Elves.

Santa
