

Dear

Greetings from the Enchanted Realm! I hope this letter finds you in a great mood. My name is Twinkle, and I am one of the many tooth fairies who collect precious teeth from wonderful children like you.

Tonight, as I fluttered down to your cozy home, I was excited to collect the special tooth you left for me. But much to my surprise, I couldn't find your tooth in its usual spot! Oh dear, it seems your tooth decided to go on a little adventure of its own!

I searched high and low, peeking behind pillows and beneath blankets, but your tooth was nowhere to be found. It appears to be a little bit mischievous and playful, enjoying a tiny journey around your room. Tooth fairies, like me, understand that teeth can sometimes be quite adventurous before they find their way to us.

Don't you worry, though! Your tooth fairy friends and I have decided to leave you an extra sprinkle of fairy dust to thank you for getting ready for our visit. Your kind actions have warmed our fairy hearts, and we want to make sure you have a touch of magic tonight.

Sending you twinkles of fairy dust and magical wishes,

Twinkle
