

Dear

How wonderful to meet a new fairy friend! I am Toothiana, your Tooth Fairy, and I have been waiting patiently for your very first tooth.

I'm so excited to welcome you to the Tooth Fairy Club now that you have lost your very first tooth, and I always love to meet new Fairy Members. You have done a fantastic job of keeping your tooth shiny and clean, and I will take it back to my castle where it will look very sparkly.

Remember to keep the rest of your teeth healthy and clean so I can visit you again soon!

Lots of fairy dust,

Toothiana
