

Dear

I'm so thrilled that you have lost another tooth! I am your Tooth Fairy, Moonbeam Sprinkle, and I am so happy to visit you again.

Losing another tooth means you are starting to grow up, and I think you're now old enough for me to share a secret with you. While you were fast asleep, I dusted your pillow with my 'Kindness Glitter' spell.

Kindness Glitter is a very special spell that helps you learn how to be kind to others. This might seem tricky sometimes, but all you need to do is listen to other people and try to make them smile if you can! I am confident that you will become a very wise and kind grown-up if you can practice this.

And don't forget, it's important to be kind to yourself, too!

With love and sparkles,

Moonbeam
Sprinkle
