

Dear

I am Violet Moondust, your Tooth Fairy, and I'm so excited that you have lost your very first tooth! Thank you so much for leaving it in a safe place for me to find.

Losing your first tooth is a sign that you are growing up, and you are now big enough to join the Tooth Fairy Club. I love to welcome new Fairy Members to this special club by sprinkling my 'Fairy Welcome' magic over their pillows while they are sleeping.

You will soon see a grown-up tooth appear where this tooth used to be, and remember to keep all of your teeth clean and sparkly.

Love and sparkles,

Violet  
Moondust
