

Dear

Greetings from the Enchanted Haven! I hope this letter finds your world full of joy and magic. My name is Whisper, a tooth fairy given the special duty of collecting the cherished teeth of lovely children such as you.

As I glided gracefully into your room tonight, my heart grew with excitement, eager to discover the special tooth you had left for me. To my surprise, it seems your tooth has gone on a wild adventure, leaving me with a wonderful puzzle to solve.

Oh, the playful nature of your tooth! It appears to have chosen to play a wonderful game of hide-and-seek. I have searched very carefully, but the location of your tooth remains a charming mystery.

My fairy companions and I have decided to leave an extra sprinkle of fairy dust beneath your pillow to celebrate this magical adventure.

Think of it as a sign of our thanks for the enchanting mystery your tooth has spun into the night.

Wishing you a night filled with whimsy and dreams sprinkled with fairy dust,

Whisper
