

Dear

Wow, what a wonderful tooth! I'm Luna Glitterbelle, your Tooth Fairy, and I wanted to say congratulations on losing another tooth.

You are growing up so fast! Soon you'll see a grown up tooth appear where the old one used to be. This new tooth will last you for a long time, and it's important to remember to brush all of your teeth twice a day. This will make me so happy! And remember, healthy teeth make the best smiles.

To say thank you for looking after your teeth so well, I sprinkled my 'Sparkledust' spell on your pillow while you were asleep. This enchanting magic spell will always help you to remember to brush your teeth.

With love,

Luna
Glitterbelle
