

Guess Who's Back? Your Favorite Elf

Dear

Surprise! I'm back! 🎉 Your favorite elf has returned from the North Pole, and I couldn't be more excited to see you! I missed you so much while I was away.

This year, I promise to bring even more magic and fun to our holiday season. I've been watching you and noticed how kind and helpful you've been.

Get ready for some exciting surprises! Each night, I'll find a new hiding spot, and I can't wait to see your reactions. Let's make this Christmas unforgettable!

Remember, I'm only a whisper away!

Love and holiday cheer,
Your Elf
