

# The Mischief Maker Has Arrived!

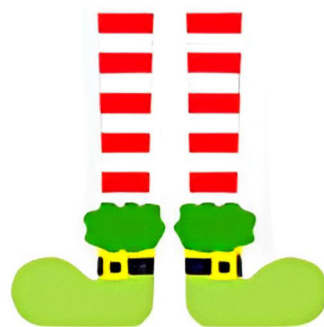

Dear

Surprise! Your naughty little elf has landed in your home, and I can't wait to get into some mischief! I'm here to keep an eye on you, but don't be too surprised if I pull a few tricks along the way!

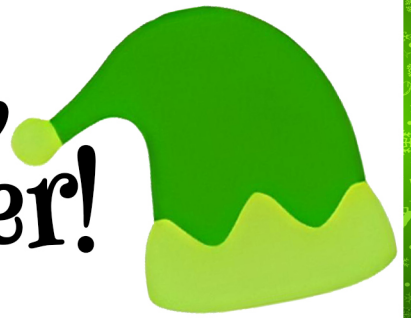

I'll be watching to see all the fun things you do, but I might also catch you being a little cheeky! If you find me in a funny spot, it means I've been up to some holiday shenanigans, so keep your eyes peeled!

Let's make this holiday season full of laughter and mischief! Are you ready for some fun?

Naughty and Nice,  
Your Mischief Maker Elf

# Time to Fly Home, You Mischief Maker!

Dear

What a wild ride we've had! As my time here comes to an end, I wanted to say how much fun I've had causing mischief and sharing laughs with you. You've been such a good sport about all my naughty antics!

I'll be taking all the giggles and fun back to the North Pole. Don't worry; I'll be sure to tell Santa all about your clever tricks and holiday spirit!

Remember, I'll be watching from afar, so keep the mischief going until I return next year!

Have a fabulously fun holiday season!

Naughtily Yours,  
Your Mischief Maker Elf
