

Your Sneaky Elf is Here Let the Fun Begin!

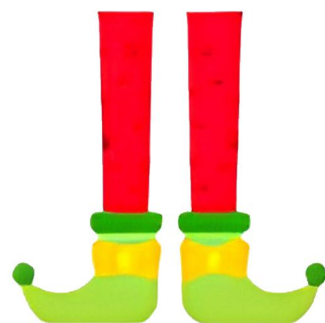

Dear

Guess who's snuck in to spend the holiday season with you? It's me—your sneaky elf! I'm here to watch over you three, but don't be surprised if you find me hiding in funny spots or causing a little harmless mischief along the way. I just can't resist a good surprise!

I'll be keeping an eye out for all the clever, kind things you do, but I might get up to some silly tricks of my own. Can you three keep up with my sneaky ways?

Let's make this holiday season full of laughs, surprises, and maybe a few tiny pranks!

With a Wink and a Giggle,
Your Sneaky Elf

Sneaking Off Until Next Time!

Dear

Wow, what a blast I've had with you three! I've loved every minute of our holiday fun, sneaking around, hiding in funny places, and watching all the clever and kind things you did this season.

Now it's time for me to slip back to the North Pole, but I'll be keeping an eye on you from afar. I'll tell Santa all about the good deeds and all the fun we had! And who knows, maybe next year I'll be even sneakier...

Keep being amazing, and I'll see you next holiday season!

With a Secret Smile,
Your Sneaky Elf
