

A Sneaky Surprise Has Arrived!

Dear

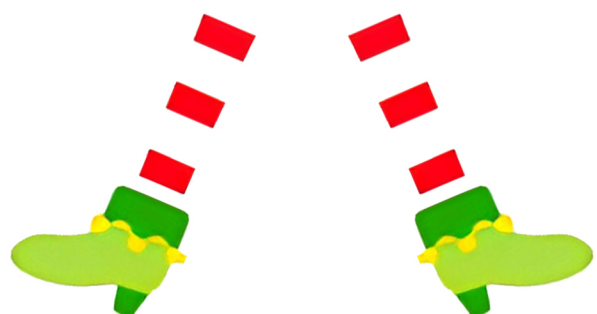

Guess what? A super sneaky friend has landed in your home! I'm here to keep an eye on you and report back to the North Pole each night! Don't worry; I'm not here to judge—I'm just here to keep things festive and fun!

Remember, I'm watching to see all the good things you do, but I might also catch you doing silly stuff—like sneaking cookies or playing with your toys instead of cleaning up! So, keep it merry and bright, and let's make this the best holiday season ever!

Oh, and don't forget: if you see me doing something cheeky, it means I'm just getting into the holiday spirit!

Ready for some fun? Let the countdown to Christmas begin!

Jingle Jangle,

Farewell, My Festive Friend!

Dear

Wow, what an amazing time we've had together! It's hard to believe that my adventure here is coming to an end. I've had so much fun watching you and reporting back to Santa about all your wonderful deeds!

Remember all the laughs we shared and the sneaky tricks I pulled? (Like that time I hung from the chandelier—oops!) I'll be taking all those memories back to the North Pole with me.

But don't be sad! I'll be watching over you from afar and can't wait to return next year! Keep being awesome, and remember to spread the holiday cheer.

Have a merry holiday season, and I'll see you next year!

Snowflakes and Sparkles,
Your Cheeky Elf
