## Biography

Many autumns ago, the fairies were apple picking in the enchanted Russet Orchard. High on the branches of one tree was a large, glowing, golden apple. The fairies left this one alone. Eventually, the golden apple fell from the tree. When it split open, a little fairy emerged. Shimmering in warm, earthy colors, Amber Goldenfall greeted her new friends.

Nicknamed 'Apple', she was a natural fit for the role of Autumn (or Fall) Tooth Fairy. After all, when trees lose their leaves in autumn and grow new ones in spring, they become another year older and wiser. It's very similar for children when they lose their teeth.

With this understanding, Apple blesses the children in her care with the magical wisdom of autumn. As the child sleeps, their dreams whisk them away to an enchanted fall forest, where wise creatures and ancient trees share stories and lessons on courage, growth, and embracing change. Although they may not remember the details of waking, the children have gained secret knowledge to prepare for the next stages of growing up.

# Harvest Hall

## All About Harvest Hall

Amber Goldenfall's home, Harvest Hall, is nestled among the eternally golden trees of Fairyland's Russet Orchard. Cozy inside with its roaring fireplace, and warmed on the outside by flame-colored leaves and toadstools, there's no place more perfect for our little Autumn Tooth Fairy.

During the day, Apple loves to bake fruit pies and crumbles to share with her friends. The delicious aroma attracts plenty of companions; it's not by magic that there always happens to be a fairy or two picking fruit nearby!

Russet Orchard, with its ancient, ever-autumnal trees, seems to hold much of life's wisdom. And Harvest Hall is built from the wise trees' sturdy timber. Such an enchanted atmosphere is perfect for Amber to create her 'Harvest Whispers' spell. With help from her friends, she gathers plenty of fall foliage, and combines it with fairy dust to produce a unique, glimmering magic.

When the spellbound children drift off into their enchanted dreams, it is Russet Orchard that they visit. Some even visit the house itself. Although the dreams' details may slip away, the wise trees and animals of the orchard never forget the curious visitors.

# Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! I am your Tooth Fairy, Amber Goldenfall, but you can call me Apple.

When you lose a baby tooth, it can take a while for your new, big tooth to fill in the gap. During this time, you're growing too. Like the trees who shed their leaves in autumn and grow new ones in spring, the arrival of your new tooth signals you becoming older and wiser. With each new tooth, you are even stronger and more amazing!

I can tell you are already quite responsible, as your tooth was well looked-after. Keep up the good work - you'll need strong teeth to bite into apples and all sorts of wonderful things!

To help you on your journey, I've blessed you with my special Harvest Whispers magic. From now until your new tooth grows in, you'll have enchanted dreams filled with secret guidance and wisdom. Although you might not remember them in detail, these dreams will help you feel more ready for the next stages of growing up.

With warmth and wisdom,

*Amber Goldenfall*
