Octavio Beats

Biography

In Fairyland, there's a popular band of musicians that draws massive crowds at every concert. All the group's members have their own devoted fans, but most admired is their leader, Octavio Beats - known to followers as RhythmX.

Octavio showed a great talent for singing, dancing and playing instruments from a young age. He practiced every day, and music became a huge part of his life. Whether he was buzzing with energy, had a crush on another fairy, or needed to concentrate on his studies, he was able to write or find the perfect song for the moment.

After so many tours, Octavio's flying stamina became exceptionally strong. His friends pointed out that he'd make an awesome tooth fairy - great idea! He'd always wanted to help others use music to enrich their own lives, and connect with those around them. When we create music we can infuse it with any mood we like. And we can always find the perfect song to match our mood. RhythmX's 'Harmonic Charm' spell provides a little extra spark to help make this magic happen.

Chord Cottage

All About Chord Cottage

Octavio's home, Chord Cottage, may sound humble, but it's actually rather grand. Inside, its many rooms and turrets hold his instruments and musical equipment. Whenever he's home, the melodies flow. While these can be his own creations, they are often part of a playlist made to match his current mood.

Outside, the cottage is surrounded by its very own lake. Both RhythmX and his neighbors are thankful for this extra distance, when he practices his energetic drumkit routines! And the enchanted toadstools surrounding the house are not just for decoration. When the Music Tooth Fairy feels like giving a private concert, the toadstools serve as excellent outdoor speakers. Being a popular band member has its perks, even in Fairyland!

Although RhythmX is often away on tour, or traveling the human realm, he feels there's no place like home. It's a place to rest, reflect on the memories of his last trip, and this is where it happens. Seeing new places, meeting new people: that's what fuel Octavio's creativity, giving him ideas for songs. When he can share his experiences and emotions with others, he has a special connection with others.

Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! I'm your Tooth Fairy, Octavio Beats - also known as RhythmX.

I heard you're into music, maybe as much as I am! Have you also noticed that listening to an upbeat song gives you an energy boost, and that gentle piano or lofi tracks help you concentrate on homework? Maybe you play music too, or even create your own?

I'm so excited to meet someone who understands. As a thank you for your precious tooth, I cast my 'Harmonic Charm' spell while you were sleeping.

Next time you're looking for the perfect song for your mood, or to share with a friend in a particular moment, this magic will help you find it. If you play an instrument, remember there's now a little spark inside you that will help you level up and play really well. And if you create music, this spark will remind you to find inspiration in each new experience, then the melodies will flow.

Keep hitting those high notes!
