Toothiana Silverglow

Biography

One night, many years ago in the enchanted Luna Glade, a magical moonbeam shone down and brought a little fairy to life - Toothiana Silverglow.

Even when she was very young, Toothiana could make magic from the moon's energy. As she learned and practiced new spells, her powers grew stronger. Eventually, she earned the nickname 'Moonshine' and became a Tooth Fairy.

As the Moonshine Tooth Fairy, Toothiana can turn herself into a shimmering trail of moondust to travel long distances at night. She can also see very well in the dark!

But her most special ability is bringing comfort to children who feel nervous in the dark. Although Toothiana knows there is no reason to be frightened, she also knows that humans can't see very well at night. So, when she comes to collect a lost tooth, she casts a spell a 'thank you'. This creates a magical moonbeam around the sleeping child. Her enchanted light isn't visible to humans but will always be there at night, surrounding the child's bed, chasing away bad dreams and bringing them sweet dreams.

Moonbeam Manor

All About Moonbeam Manor

Toothiana, the Moonshine Tooth Fairy, lives in the enchanted Luna Glade, where the magical moonbeam brought her to life all those years ago.

Her home, Moonbeam Manor, is nestled in the perfect spot to capture the full lunar glow. Hidden deep in the forest, away from curious humans, at night the fairy house brightens the surrounding darkness with its soothing, colorful glimmer.

A twinkling pond surrounds Moonbeam Manor, helping its mysterious plants and flowers to flourish. It's well known that in the human realm, plants soak up sunlight, but at Luna Glade, they absorb the moonlight. Together, the house and its unique garden help our Moonshine Tooth Fairy turn moonbeams into magic, every single night.

Moonbeam Manor is just as charming inside as on the outside. During the night, the cozy rooms glow with the same enchanted light that Toothiana casts around sleeping children's beds. It's a place of love to visit, because it always feels like they're being hugged. Although children cannot see it, Moonbeam Manor is a lighthouse in the night. This magical house is filled with a gentle, comforting aura that beams out to all who are wide.

Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! My name is Toothiana, but you can call me Moonshine. Last night, under the silvery moonlight, I shimmered into your room as a trail of moondust, and gently collected your precious tooth.

In return, I cast a spell to chase off worries and bring you sweet dreams. Every night from now on, a magical moonbeam will glow around your bed while you sleep. Only fairies can see this light, but you will always know it's there, surrounding you with love and protection from the fairy realm.

I think the spell will work extra well for you in fact, because your tooth holds a hint of its own moon-magic. As you get older and your grown-up teeth come in, you will learn to spread a comforting energy of your own. This will help you, and those around you, feel relaxed and happy.

When you drift off to sleep tonight, remember that you are cherished. With your warm heart, you too can brighten the world.

Love and light to you always,

Toothiana Silverglow
