

# OFFICIAL SANTA LETTER

Dear

Ho ho ho! It's nearly Christmas, and I heard that someone's getting excited! It makes me so happy when girls and boys get into the festive spirit, and so I wanted to write you a letter.

Christmas Eve preparations are going well here at the North Pole. The elves and I have been very busy, and now my list, my sleigh, and all the presents are nearly ready to go. The reindeer are very excited and can't wait for their big journey! If you're able to, would you mind leaving out a tasty carrot for them?

Maybe you've heard there's some magic involved in my Christmas Eve journey? Well, I'll tell you a little secret. The magic of Christmas is everywhere! It's in the twinkling lights, the jolly music, and the thoughtful gifts. And most of all, it's inside you. Spending time with loved ones and creating happy memories - this is how we share the magic of Christmas. And I know I can rely on you, my little helper, to do your part and spread the Christmas cheer!

With love, *Santa*
